

Fall is here! We have so many fun and exciting things planned for this month. We will be learning about leaves, pumpkins, cooking and of course celebrating Halloween!

Due to the circumstances, **we will not be having a Halloween parade or party.**

Children are allowed to wear their costumes to school, and The Academy will be providing a special snack at afternoon snack time!

It's that time of the year! The mornings, and the evenings are getting chillier and chillier, please make sure your child is dressed appropriately and has a jacket each day.

Also make sure that your child's extra clothes at The Academy is switched out for warmer wear!

This is the best time to get outside and have some fun, but we must be prepared!

Thank You!

Big thank you to all of our families that order Scholastic Books. We reached our goal plus some! We were able to get so many new books to add to our library and we couldn't do it without you! We hope you enjoy your new books!

Halloween is looking to be a little different this year but that doesn't mean that the fun has to stop! Here are a few ideas for your Halloween night!

- **Organize a scavenger hunt!**
Hide some candy and create a scavenger hunt around the house with clues about different locations written on orange cardstock. Once the kids are in costume, hand them the first clue and watch as they collect the hidden candy or prizes in their trick or treat bags!
- **Carve or decorate pumpkins!** Have a contest with your neighbors!
- **Make Halloween sweet treats**
- **Have a spooking Halloween movie night!**

Reminders:

- Adults only should be touching the key pad to unlock the door and also the kiosk for checking in and out.
- Please no racing down the hall with your child.
- Do not let your child run through the hall when coming into the building and leaving the building. Safety for your child is our number one priority!

Thank you for your cooperation and understanding
